

The thief comes only to steal, kill and destroy; I have come that they may have life, and have it to the full – John 10:10

July 2019

Dear Praying Friends.

It's been a while since last writing to you all. So what's new?

Kwidzyn

Kwidzyn currently continues to dominate the ministry. So just to confirm that my involvement with Kwidzyn church, as the acting Pastor, is now in its second year and this will continue until about June 2020, unless God directs me otherwise.

Being a Pastor in Poland is certainly not easy. Many of the churches here are small and so cannot afford to pay a Pastor. This in turn puts many added pressures on them as many have to work in some kind of employment, plus looking after their families as well as their churches. Church growth can be slow but we are looking at ways to bring change. Much prayer is required.

On a positive front it was great to have George (in March), and Martin Wells (in May), come out. George helped us with a worship teaching weekend and Martin did a creative evangelism workshop, which was well attended by other churches in the area. The idea being to stimulate the many and varied ways evangelism and witness can be achieved. One particular church requested that we do this same teaching in their church. Both of these events were great times together.

Practically; The asbestos roof has now been replaced, so we can now gather finance for fresh initiatives.

Other churches

Due to the commitment to Kwidzyn I have had little time to visit some of the other churches / places that I would normally go to. The Bible school in Warsaw has had just one visit this year so far. The churches in Włocławek and Żyrardów also.

Włocławek.

I managed to get to drive down to visit Pastor Mieczysław and wife Halinka recently who have the most amazing vision for church growth. He is one of the few Pastors who has given himself to full-time church leadership and is seeing results. Their vision is to have church of 3,000. They have been looking again for a new bigger building. After much seeking and working with the towns leaders they have been offered the most amazing building in a prime location with more space and yet paying less rent. It will need some work doing to it but God is on the move in this city of approx 120,000 people. We are not sure how many other Charismatic evangelical churches there are in this area but their light is getting brighter every day. God responding to hearts that want to walk in his ways.

Christ for the Nations

The school year ended mid June. A few struggled to complete the course but for those who finished the year there were some amazing youngsters among them, with real passion and zeal for Jesus. Potential leaders for sure.
