

The thief comes only to steal, kill and destroy; I have come that they may have life, and have it to the full – John 10:10

June 2020

Dear Praying Friends.

So what is new?

I am still in the UK at the moment. Quarantine now remains the issue, not so much here but in Poland. Two weeks at present. I would be allowed in as I have a residential address but no point in staying in a house for two weeks only to have to return to another two weeks quarantine here. However hope to be back soon.

Kwidzyn Church; At the end of May I finished my two years as the acting pastor. Trying to run church at a distance and online proved quite a challenge. The church is back in the hands of Piotr Zalewski, who is now permanently back in Poland. I will continue with assisting the church as required and preaching at least once a month. The picture below right is Kwidzyn Castle

Christ for the Nations; We have managed to maintain the teaching, online. The school extended it teaching year to July to catch up on some of what had been missed during the lockdown. The students have been great throughout, adjusting to doing teaching from their homes. They have however moved back into the school, as things are little more relaxed.

Wloclawek Church: I am still in contact with Pastor Mieczyslaw and his wife. They are currently renovating their new church premises in the city centre. This man has such great vision. Their building was a Gestapo centre during the war. I love how God takes places used 'for the not so good' and turns them into places for the good, for His glory. Hoping to get to see them as soon as I can return.

Warsaw Bible Seminary; I am little out of touch as i have not been there for about a year due to my commitment at Kwidzyn. I am hoping to get to see them in the autumn and resume our support, friendship and some teaching.

The future; I mentioned in a previous letter that some time before the Covid situation, I had received a prophetic word saying that God was going to bring me home for a period of rest and restoration. I did not imagine it would look quite like this.

I have recently received some very encouraging prophecies, through members within the Ark church and from Chris Sugg, who has been very faithful throughout with prophecy. The implications were that a new season was approaching with some new things happening after this period. I hope to share some of this soon.

Practical Issues; I am still hitting some problems with Ryanair with returning cancelled refunds. Several flights are outstanding and they are still not sorting their obligations. Please pray.

My car has sat for sometime and needed what we would describe as an MOT. However a friend has agreed to get the car mobile, cleaned and put through its annual check. Praise God!

For your prayers

- The way forward and for the shape of the future. To hear clearly from God.
- The Ryanair refund situation
- That my Polish car successfully passes its annual check, (MOT).

We hope that you are all keeping safe and it goes without saying how much we appreciate your continued love and support

Every blessing
Paul & Anne
